Swedish Radiation Safety Authority

# **EU legislative instruments and initiatives**

Second Regulatory Conference

Brussels, 11–12 June 2013

## Background

- ➔ Ad hoc group established, 23 of January
- ➔ Reported to ENSREG, 6 of March
- ➔ The report from the Ad hoc group agreed by ENSREG on the 10 of April

# The ENSREG 12 principles

(update of the ENSREG principles from 2008)

- (1) maintain and seek to **continuously improve nuclear safety** and its regulation, and add value **to achieve a high level of safety** (*updated*)
  
- (4) seek to **enhance** not reduce the power, roles, responsibilities or capability of the **national nuclear regulatory body** (*2008*)
  
- (5) **not expand the role of the EC in regulatory decisions making** or activities nor introduce other bodies(*2008*)
  
- (6) **not divert resources away from national nuclear regulatory responsibilities** or international nuclear safety co-operation (*2008*)
  
- (9) seek to **improve the transparency** of nuclear safety and its regulation (*2008*)

## Four important areas

- ➔ Functional independence
- ➔ Transparency
- ➔ Ambitious safety goals/objectives
- ➔ Periodical topical peer review (6 years)

“What must be admitted – very painfully – is that this was a disaster “Made in Japan.”

## **Kiyoshi Kurokawa**

Chairman of The National Diet of Japan Fukushima Nuclear Accident Independent Investigation Commission

**Thank you**
